WORK EXPERIENCE

L&T Finance Ltd., Kolkata **May 2011 – Apr 2026**

Growth Path:

- Operation Manager (February 2011 – May 2013)
- Area Collection Manager (May 2013 – Feb 2016)
- Zonal Manager – Collection (Mar 2016 – April 2026)

Zonal Manager – Collection | Mar 2016 – Apr 2026

Responsibilities:

- Spearheading the end-to-end collections strategy across Eastern India (West Bengal, Bihar, Jharkhand, Odisha, Assam & Tripura) for Used & New Car, Two-Wheeler, Home Loan, Commercial Loan, and Construction Equipment portfolios.
- Managing and mentoring a team of 39 In-house Agency Managers and 4 Regional Managers, fostering a high-performance culture with strong adherence to compliance and operational standards.
- Directing legal recovery processes under SARFAESI Act and IBC, collaborating with Legal Teams to expedite resolution of high-risk accounts.
- Conducting quarterly field visits and strategic meetings with key stakeholders, including high-principal customers and agency owners, to monitor collections progress.
- Administering vendor audits and process reviews to ensure operational excellence and regulatory compliance.
- Developing and executing training programs for Collection Managers to enhance team productivity and compliance adherence.
- Implementing data-driven performance monitoring for collection agencies to optimize portfolio management.

Achievements:

- Achieved improvements in portfolio performance and recovery rates through strategic recovery initiatives and process optimization.
- Reduced GNPA levels by implementing focused legal and operational recovery strategies.
- Recognized as a two-time Star Award winner for exceptional leadership, operational execution, and contributions to organizational performance.
- Enhanced team productivity through innovative training programs and performance monitoring systems.
- Streamlined legal escalation processes, resulting in faster recovery timelines and improved customer satisfaction.

Area Collection Manager | May 2013 – Feb 2016

Responsibilities:

- Allocated and guided monthly loan portfolios across Used & New Car, Two-Wheeler, and Commercial Loan segments ensuring timely distribution to collection agencies and adherence to performance metrics.
- Managed end-to-end collections and recovery processes, including risk management and legal recovery actions, to maximize recovery rates and minimize delinquency.
- Led a team of collection supervisors, providing guidance to ensure compliance with operational standards and achievement of performance targets.
- Engaged with problematic customers to resolve outstanding cases, employing negotiation skills to facilitate timely payments and maintain customer relationships.
- Monitored collection agency and recovery executive performance through consistent tracking, reporting, and adherence to defined recovery milestones.
- Coordinated legal escalations under the Negotiable Instruments Act (Sections 17 and 138) in collaboration with the Legal Team.

Achievements:

- Ensured timely portfolio allocation within 24 hours post-month-end, maintaining operational efficiency.
- Improved collection compliance and agency performance through structured monitoring and reporting systems.
- Successfully minimized delinquency by implementing proactive customer engagement and recovery strategies.

Operation Manager | February 2011 – May 2013

Responsibilities:

- Supported collections policy development and system enhancements, translating internal stakeholder needs into change requests and closely tracking system improvements.
- Managed accurate and timely processing of ~1,800 invoices per month for Direct Collection Agencies pan-India, resolving agency queries and billing discrepancies.
- Ensured high accuracy in financial calculations, including discounts, interest, commissions, and proportions.
- Drove collections process automation and technology upgrades, training users, acting as primary system SME, and delivering measurable efficiency, time, and cost savings with weekly stakeholder updates.

TCS Eserve Ltd, Kolkata, WB **October 2003 – January 2011**

Growth Path:

Processing Executive (October 2003 – November 2004)
Agency Manager - Cards (November 2004 – December 2007)
Operation Executive – Cards (January 2008 – January 2011)

Operation Executive – Cards

Responsibilities:

- Owned end-to-end Eastern Region Credit Card operations, including daily payment tracking, uploads, and agency audits in line with Citi policies.
- Led daily payment reconciliations, resolving application exceptions and sundry account mismatches within defined timelines.
- Managed cash deposit MIS, ensuring daily teller cash tallies matched system collections.
- Conducted quarterly internal audits across agencies covering payment processes, receipt books, collector documentation, and endorsement validity.
- Performed quality checks on card rewrite accounts prior to booking.
- Implemented and governed software deployment across agencies, including training and monthly compliance checks.
- Demonstrated high agility by rapidly mastering new systems and stepping in to stabilize operations as needed.
- Cleared legacy backlogs, corrected billing, invoicing, and journal entry errors, and restored process discipline.
- Managed invoice processing and vendor coordination across a nationwide supplier network.

Agency Manager – Cards

Responsibilities:

- Led two Kolkata agencies as **Agency Manager**, consistently meeting assigned collection targets.
- Maintained and reported **Paid and Promise-to-Pay MIS** to management.

- Awarded **Highest Individual Collection** (August 2005).
- Recognized with **Best Performance Award** (2007).

Processing Executive
Responsibilities:
- Processed Mutual Fund applications for **Birla Sun Life** and **Prudential ICICI Index Fund** across the **Eastern Region**.
- Managed end-to-end application handling and **sent daily MIS** to Head Office.
- Resolved **customer queries** routed through AMCs efficiently.

Bayview Technology Systems Pvt. Ltd., Kolkata **May 2002 – September 2003**
Quality Analyst
Responsibilities:
- Supervised the processing of 1,800+ invoices monthly for Direct Collection Agencies across India, ensuring accuracy and compliance with internal policies and regulatory standards.
- Led process automation initiatives and implemented new technologies to eliminate operational bottlenecks and enhance turnaround times.
- Conducted nationwide training sessions on collection systems and operational processes to ensure alignment and standardization across branches.
- Established key performance indicators (KPIs) for collection processes to enable better tracking of performance.

Achievements:
- Spearheaded the transition to a new collection management system, reducing processing time and improving invoice accuracy.
- Improved overall collection process efficiency through automation and streamlined workflow.
- Enhanced team performance and operational standardization via targeted training programs across multiple locations.
